Join us for a presentation by Roxanne Martino, Chief Executive Officer, Investment Committee Chairperson and Partner of Aurora Investment Management L.L.C. Aurora is an industry-leading provider of hedge fund solutions with over \$9 billion in assets under management. Ms. Martino will provide her perspective on the evolution of the hedge fund industry – from its origins with high net worth individuals investing in commingled funds to customized portfolio solutions developed for institutions and finally, the movement into the retail investment mainstream with the advent of daily liquidity funds. In addition, with CalPERS's recent announcement to exit hedge funds, Ms. Martino will offer her take on the future of the alternative investment industry.

SPEAKER BIO: Roxanne Martino

Roxanne Martino is Chief Executive Officer, Investment Committee Chairperson and Partner of Aurora Investment Management L.L.C.
