Expand your professional network or find new opportunities by joining our Annual Speed Networking Event!

What's Speed Networking? Speed Networking works a lot like 'Speed Dating' without the 'Dating'. Join CFW as we host a structured opportunity to meet accomplished professionals just like yourself, face to face, one business professional at a time. Whether you are in finance, real estate, an entrepreneur, legal or medical professional, or in the entertainment industry - our events offer the perfect occasion to expand your business, social or enterprise contacts.
